

HOME OWNER INSURANCE VERIFICATION FORM

Dear Owner,

Dated: \_\_\_\_\_

It is a requirement of our company that our property owners name Century 21 Commander Realty Property Management as an additional insured on your Liability Insurance Policy. Although we highly recommend a Fire Protection policy, our only request is you retain a policy in the amount specified by your lender. The required Liability Insurance Policy amount is as follows:

- \$150,000 for a Residential Rental Property

Please complete this form and return it with the management package.
